How do we calculate our Rental Payments?

All of our rentals are categorized as New, Return Rental 1 and Return Rental 2. Return Rental 1 instruments are instruments that have been rented previously but are still in like-new condition. Return Rental 2 instruments have been rented once or twice and show a little wear on their appearance but are still in good playing condition.

We take our price of these instruments, add sales tax and maintenance, and divide by 36.

Here is an example: New 2SP Flute

New	\$989.00
Our price	\$890.01
Tax.	\$53.40
Maintenance	\$180.00
Total if you rent 36 months	\$1123.41
Monthly payment	\$31.21

RR1 2SP Flute	\$791.20
Tax	\$47.47
Maintenance	\$180.00
Total if you rent 36 months	\$1018.67
Monthly payment	\$28.29

- On our contracts it is clearly spelled out if you are receiving a New, Return Rental 1 or Return Rental 2.
- You are given the option for what fits in your budget
- We only rent quality instruments from Conn-Selmer, Gemeinhardt, Jupiter and Yamaha.
- Loaner Service available
- Repair and Maintenance Included
- HMC representatives stop at your child's school weekly.

An Investment in Your Child's Future

Studies have shown that music has a positive impact on the lifelong achievement of all children. Learning to play an instrument has a positive effect on many other areas of your child's education. Studies have even shown that children who study music, score an average of 52 points higher on their SATs.

Purchase with Buyback Option

You may purchase any new student instrument at our current sale price, usually 30%-35% off suggested retail price. You must purchase a HMC Maintenance contract. You must keep the instrument for a minimum of 8 months. If after the 8th month, your child chooses to no longer be in band, Herter Music Center will buy the instrument back from you at it's original sale price, minus the monthly rental rate, multiplied by the number of months you owned it.

Here is an example: 2SP Flute Sale price \$509.00
8 months of rent \$31.21 multiply by 8 = \$249.68
Buyback check amount \$259.32

Great way to save money and still have the opportunity to return the instrument.
